## PRESIDENT'S MESSAGE

Dear Members, please join us tonight for a festive get-together at our regularly scheduled meeting time on Zoom to wish your fellow Guild members well during this holiday season. It has been a challenging year for all of us but some good things have come from it. Let's all take a moment to reflect on how we may have grown or experienced some new things and new ways we may not have. Along with a few improvements and thorough cleanups at the Drill Hall (most notably the costume room and front desk) we have strengthened our online presence on YouTube and the member services on our website! In that vein, there will be another short video available to watch starting tonight on our YouTube channel. Please attend tonight's get-together and our internet gurus will help you to stream it, just remember to renew your membership first! On behalf of the Board and myself, have a safe, healthy and happy holiday season! **Dan Giordano**

Wishing everyone a happy, safe, and festive holiday season.

*Happy Holidays!*

## A CHORUS LINE - REVISTED

The 1991 PGL production of A Chorus Line has been digitally remastered and will be available for viewing on 12/17/2020, right after our general meeting. It will be on the Players Guild's YouTube Channel. During our General Meeting, we'll live stream a 30-minute retrospective of the making of A Chorus Line. Featured in this recently created documentary are cast members along with director/choreographer Chip Baker and musical director, Darius Frowner. Like the original concept for A Chorus Line, each person shares their own personal story and heartfelt memories. Please join us and invite friends and family to watch this retrospective of A Chorus Line Revisited. Of course, there is no charge but please subscribe to the Players Guild's YouTube Channel and encourage your friends and family too. Once we have 100 subscribers we get to customize our YouTube address to: [www.youtube.com/playersguild](http://www.youtube.com/playersguild). **Marc Leland**
